Re: U.S. Patent Application No. 09/988,681
Inventor: Ukyo MORI
Title: ELECTRON DEVICE
Your ref: MAR. 066
Our ref: DP-827 US

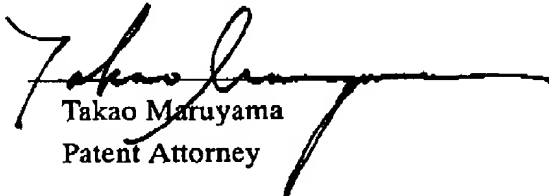

Dear Mr. McGinn:

This is in response to your letter of July 20, 2005 enclosing a copy of an Advisory Action dated July 18, 2005. A response will be due on or before August 1, 2005.

Please be informed that the applicant has requested you to file a Request for Continued Examination (RCE) with the amendment you have proposed in your letter. The applicant has also authorized you to conduct an interview with the Examiner. Therefore, please advance this prosecution in a way that is beneficial to the application.

We thank you for your kind cooperation in this case.

Very truly yours,

Takao Maruyama
